# INTRODUCTION

## **Mission**

Lake Catholic High School is an educational community centered in the mission of Jesus Christ, where young men and women of diverse interests and abilities are encouraged to learn, to work together and to think for themselves. We strive to provide a curriculum and environment that fosters a commitment to excellence, a spirit of respect and compassion, personal integrity and a willingness to serve.

## **Belief Statements**

- Students' learning needs should be the primary focus if our school is going to enable students to become confident, self-directed, lifelong learners.
- Students need to not only demonstrate their understanding of essential knowledge and skills through a variety of assessments, but also need to be actively involved in solving problems and producing quality work.
- Students learn best when they are actively engaged in the learning process to discover, develop, and use their talents to the fullest.
- Students learn in different ways; therefore, curriculum and instructional practices should incorporate a variety of learning activities to accommodate differences in learning styles.
- Each student is a valued individual with unique physical, social, emotional and intellectual needs.
- A student's self-esteem is enhanced by positive relationships and mutual respect among and between students, faculty, and staff.
- Gospel values and spiritual formation permeates all facets of school life.

- The education of our students includes the development of the whole person in a diverse world.
- Teachers, administrators, parents, and the LC community (alum, faculty, staff...) share the responsibility for advancing the school's mission.
- In order to develop the whole person, students need to apply their learning to overcome obstacles and meet meaningful challenges.

(Revised March 2008)

## COAT OF ARMS

The mask represents our interaction with one another. The sun depicts the human interaction with God in the Paschal Mystery of Christ's saving death and resurrection. The torch symbolizes our search for truth, while the olive branch represents our quest for peace.

The cross and waves are the symbol of the Bishop of the Cleveland Diocese, and the interlocking rings show our partnership of life and love in the Lord. The cross symbolizes our salvation in Christ.

## PATRON SAINT

St. Thomas Aquinas (1227-1274) was commissioned as the patron saint of Lake Catholic High School on November 1, 2006. His feast day is celebrated on January 28.

Born in 1225, St. Thomas Aquinas descended from noble blood lines in the Northern Italian region of Naples. Throughout his young life, he was significantly influenced by the rise of new universities in Western Europe, the complete works of Aristotle and Augustine, and the development of the Dominican Order within the Church.

He lived a saintly life as a brilliant scholar, a great theologian, and an accomplished writer- commonly recognized as both an esteemed Doctor of the Church and a foundational Catholic Philosopher with his emphasis on the connected natures of both faith and reason.

In the tradition of Thomistic thought, we use his most popular quotes as inspiration to live our Lake Catholic Mission and Core Values: “Joy is the noblest human act.”

### **SPIRITUAL LIFE**

Lake Catholic High School strives to provide opportunities that support the development of the whole student. Our identity as a Catholic high school in the Diocese of Cleveland and our role as a Catholic educational community are centered in the religious education, spiritual development and faith formation of all students. Our campus ministry office provides multiple opportunities for students to extend classroom education and theory into active faith practices by living the Gospel in our school environment, in local parishes/churches and in the greater community. These opportunities highlight the spiritual development and strengthen the expression of the Lake Catholic mission. They are considered core educational and service experiences for students. It is this unique dimension that captures our identity as Lake Catholic High School.

During the school year, students will participate in several faith experiences, including (but not limited to): liturgies, prayer services, retreats, ministry events, daily prayer and service experiences. Students also enjoy a partnership with St. John Vianney Parish and the support of the surrounding Catholic parishes in our greater community which allow for the presence and the additional support of clergy throughout the area. This comprehensive program allows all students the opportunity to learn, reflect, develop,

evaluate and lead faith formation experiences while living the Gospel message in practical, daily life.

Our non-Catholic students also participate in these activities as they relate to the education requirements and the core curriculum of our school. By learning Catholic concepts through classroom studies and participation in active experiences, the intent is for non-Catholic students to learn about, to develop an appreciation for and to respect Catholic principles as they relate to living an active faith life—not to convert from his or her own organized faith.

Extending our school philosophy and mission further into our core curriculum, our service program is an integral, mandatory part of a Lake Catholic education. Participation in this program is a requirement for all of our students, allowing them to carry their academic classroom learning into the greater community where they foster a spirit of respect and compassion, and develop a willingness to serve and earn experience within a variety of environments. Through this format, students have specific opportunities to use their gifts and talents as active, educated leaders living the Gospel in a rapidly changing world.

### **ALMA MATER**

Pass on the torch of loyalty  
Until it lights the sky  
With fire of faith and wisdom  
Throughout Lake Catholic High  
Forever shall she guide us  
With friends to lead the way  
The spirit deep inside us shines  
For the green and gray

### **FIGHT SONG**

Hail! Lake Catholic, sons and daughters cry.  
Hail! Lake Catholic, your banners proudly fly.  
Striving forward, your spirit the thing  
For honor and glory, your praises we sing.

Humble in victory. Proud in defeat.  
For you Lake Catholic High.

## **ACADEMICS**

Lake Catholic students are encouraged to select courses that will challenge them academically, as well as courses that will prepare them for college, expand their interests and help to focus their career aspirations. They are also encouraged to take a proactive approach to their studies while using all of the resources available to them.

The process of selecting and scheduling courses is organized as a collaborative effort between students, parents, teachers and guidance counselors. Admission into various courses at Lake Catholic is based on the placement test results, previous grades, standardized test scores and specific course prerequisites. Throughout the process, parents are invited to provide teachers and counselors with additional information and insights which may impact placement decisions and better meet individual learning needs.

Lake Catholic is normally in session from 8:00 am to 3:01 pm each day. Within these hours, the day is divided into nine, 43-minute periods including lunch. In order to take full advantage of the educational opportunities offered at

Lake Catholic, students should register for 7 or 8 classes each semester. Schoology can count towards meeting the 7 or 8 classes. Other classes that meet outside the regular school day are taken in addition to the above requirement. Students may not have more than 8 study halls per week.

## **ADVANCED PLACEMENT COURSES**

Rigorous, college-level courses offer the opportunity for students to use critical thinking skills and quality resources to further their learning in specific areas of study, as well as the possibility of earning college credit. Final evaluation of course content requires students enrolled in an Advanced Placement (AP) course to take the AP Exam administered each spring at Lake Catholic. The fee for each AP Exam is \$90. For specific information about Advanced Placement credit and placement policies at various colleges and universities, visit [www.collegeboard.com/ap/creditpolicy](http://www.collegeboard.com/ap/creditpolicy).

## **POST-SECONDARY ENROLLMENT OPTIONS**

To participate in the Post-Secondary Enrollment Options “B” Program (PSEOP), students must meet criteria established by the college. This criteria may include the attainment of a specified cumulative grade point average and the passage of an assessment test or tests. In addition, the number of college courses a student can take through this program is regulated by the State of Ohio. Students interested in enrolling in college classes through this program must notify the school guidance counselor before March 31.

## **TRANSFER STUDENTS**

Students transferring to Lake Catholic High School from other secondary schools are obligated to fulfill the Lake Catholic graduation requirements from the point of transfer through graduation. All decisions concerning discrepancies

between the different schools' requirements will be made by the Lake Catholic administration. Honors courses taken at a previous school will only be accepted if equivalent courses are offered at Lake Catholic. In general, years of participation in sports or clubs are not recognized and transfer students are not eligible for top academic awards at graduation. The National Honors Society charter online states, "A NHS member who transfers to another school and brings a letter from the principal or chapter adviser to the new school adviser shall be accepted automatically as a member in the new school's chapter. Transfer members must meet the new chapter's standards within one semester in order to retain membership."

### **SCHEDULE CHANGE**

Once classes begin, students have a maximum of five days to request a schedule change. This student-initiated request should first be made to the guidance counselor and is then approved or disapproved by the assistant principal of academics. The fee for each approved request is \$40. After the first five days, students must remain in the class until the end of the course.

In some cases, a teacher may recommend that a student change classes because the student was incorrectly placed. There is no fee for this type of schedule change.

### **SUMMER SCHOOL**

Students who attend summer school should forward a transcript to Lake Catholic upon successful completion of the course.

### **GRADE REPORTING**

Lake Catholic utilizes a password-protected, online communication tool called Net Classroom to report student academic progress, attendance, discipline and grades. Students, as well as parents, are strongly encouraged to monitor grades frequently and to consult with the teachers

in order to address specific needs or concerns. In addition to online reporting, a hard copy of the report card will be mailed home at the conclusion of each academic quarter.

### **INCOMPLETES**

A grade of I (Incomplete) may be given in cases where the teacher, in consultation with the assistant principal of academics, determines it is advisable. Normally, without appropriate medical documentation, students who receive incompletes have two weeks to complete the required work. If the work is not completed by the end of the two weeks, grades will be calculated by including zeroes for all missing work.

### **SEMESTER EXAMS**

The last three days of each semester are reserved for semester exams. The semester exam or culminating project will encompass one semester's content and assess the student's mastery of the learning objectives. The grade earned on a semester exam will count as 20% of the final semester grade, in addition to appearing as a separate grade on the quarterly report card.

#### **Exceptions**

Students who are enrolled in an Advanced Placement class are automatically exempt from the second semester exam for that class.

#### **Incentives**

Prior to the end of each semester, juniors may petition to exempt from one final semester exam. Seniors may petition to exempt from all exams each semester. To exempt from an exam, students must earn an A or A+ final average in the class (final average over 2 quarters for a semester course; final average over 2 semesters for a year-long course.) Students are to follow the posted guidelines for submitting petitions. The petitions for exemption will be reviewed and approved or disapproved by the assistant

principal of academics. A list of students qualifying for exemptions will be prepared and distributed prior to the designated exam days.

### **GRADING SCALE**

A+	98-100%	4.3
A	95-97%	4.0
A-	93-94%	3.6
B+	91-92%	3.3
B	87-90%	3.0
B-	85-86%	2.6
C+	83-84%	2.3

C-	75-76%	1.6
D+	73-74%	1.3
D	71-72%	1.0
D-	70%	.6
F	69%	0

Note: Courses with the designation of Honors or Advanced Placement receive a .5 weight when the grade point average is calculated. The grade point average appears on the hard copy of the quarterly report card and on the transcript.

### **SEMESTER GRADE CALCULATIONS**

$$\begin{array}{r} \text{Quarter Grade} \quad \times 40\% \\ + \text{ Quarter Grade} \quad \times 40\% \\ + \text{ Exam Grade} \quad \times 20\% \\ = \text{ Final Grade} \end{array}$$

- The final grade must be a D- or above in order to earn credit for the course.
- The quarter grades, exam grade and final grade will appear on the report card. Only the final grade and credit earned will appear on the transcript.

## YEARLY GRADE CALCULATIONS

$$\begin{array}{rcl} & \text{Quarter Grade} & \times 40\% \\ + & \text{Quarter Grade} & \times 40\% \\ + & \text{Exam Grade} & \times 20\% \\ & = & \text{Semester Grade} \quad \times 50\% \\ & \text{Quarter Grade} & \times 40\% \\ + & \text{Quarter Grade} & \times 40\% \\ + & \text{Exam Grade} & \times 20\% \\ & = & \text{Semester Grade} \quad \times 50\% \\ & & = \text{Final Grade} \end{array}$$

- The final grade must be a D- or above in order to earn credit for the course.
- The quarter grades, exam grades and semester grades will appear on the report card. Only the final grade and credit earned will appear on the transcript.

## EXTRACURRICULAR ELIGIBILITY

Extracurriculars are defined as any school-sponsored organization, club, team or activity for which academic credit is not issued. Participation in extracurricular activities is a privilege. Therefore, only students who have met both of the criteria listed below will be eligible to participate for the current academic quarter.

- The student earned a 1.5 grade point average or higher on the previous quarter's report card
- The student earned no more than one failing grade on the previous quarter's report card

The eligibility or ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from the immediately preceding grading period become effective. In addition, athletes must meet the eligibility requirements as described by the Ohio High School Athletic Association. Note: In some cases, a student who is placed on Disciplinary Probation may also be declared ineligible for extracurricular activities even if

the criteria stated above have been met. This decision is made at the sole discretion of the administrative team.

An ineligible student may not participate as a member of a team or organization during the period of ineligibility. This includes, but is not limited to, scrimmages, contests and performances. Occasional social events, such as dances, are excluded from the extracurricular eligibility policy.

## **FLEXIBLE CREDIT POLICY**

It will be the provisional policy of Lake Catholic High School, Mentor, Ohio, to welcome applications for flexible credit from its students. Each application filed appropriately on the school's submission form, will be acted upon by the Principal of Lake Catholic High School, upon consultation with a Flexible Credit Advisory Committee appointed by the Principal. The decisions made under this provisional policy in the 2010-2011 academic year will be without prejudice of precedent. This provisional policy will be reviewed annually and adjusted according to need.

# **ATTENDANCE**

Consistent attendance is an essential element in achieving academic success and helps to develop a lifelong habit of regular attendance and punctuality. It is the student's responsibility to contact the teacher about making up work following an absence of any kind.

Students are expected to be in school from 8:00 am to 3:01 pm. Furthermore, once students arrive at school in the morning, they are expected to remain at school until dismissal. Students may not leave the building without the permission of the assistant principal of student services.

Parents will receive written notification from the assistant principal of student services when a student has been absent 15 times. When a student has accumulated 20 absences, medical documentation will be required for each absence thereafter in order for the student to make up class work.

Absences are recorded in ½ day increments and are reflected on the student's permanent record.

A student must be present for at least half of the school day to participate in extracurricular activities on that same day. Students arriving after 11:30 am are considered absent for the day. At the discretion of the assistant principal of student services, absences such as funerals and college visits may not prevent a student from participation in extracurricular activities.

Failure to follow the attendance policies and procedures will result in disciplinary consequences.

### **ABSENCE**

When a student is absent, the parent must telephone the attendance secretary at 440-974-4802 prior to 9:00 am on the day of the absence. The message must include the date of the absence, name of the student, student's grade, reason for absence, caller's name and a phone number where the caller can be reached during the school day.

In the case of an extended absence (5 or more days) due to illness or surgery, a daily phone call is not necessary if the parent provides the attendance secretary with all the dates

of absence. The parent may also request that the student's assignments be collected by calling the school registrar.

### **APPOINTMENTS**

When a student has an appointment during the school day (dentist, doctor, court, college, driving test, funeral), the parent must telephone the attendance secretary at 440-974-4802 prior to 9:00 am. The message should include the student's name, student's grade, date and time of day when the student is to be dismissed, type of appointment, name of caller and a telephone number where the caller can be reached. Appointments, excluding funerals, require *written verification* from the dentist, doctor, court or college upon returning to school. If the student returns within an 88 minute time frame, the time missed will NOT be reflected on the student's permanent record. An appointment that exceeds the 88 minute time frame or if the student does not have verification will be reflected as an absence on the student's permanent record. Days missed due to funerals are not recorded on the student's permanent record.

### **SCHOOL ACTIVITY ABSENCES**

Days missed due to approved school activities (field trip, retreats or other school sponsored events) are not recorded on the student's permanent record.

### **COLLEGE VISITS**

Seniors and juniors are permitted two college visits during the school year. When a student visits a college, the parent must telephone the attendance secretary at 440-974-4802 prior to 9:00 am. The message should include the student's name, student's grade, date of visit, name of college, name of caller and a telephone number where the caller can be reached during the day. The student must also bring back *written verification* from the college admissions office upon returning to school. Days missed due to approved college visits are not recorded on the student's permanent record.

### **ABSENCE FOR OTHER REASONS**

Absence for other reasons (vacations, family events or participation in special events) is discouraged by the school. However, in cases where the parent determines the necessity of this type of absence, the parent must telephone the attendance secretary at 440-974-4802 prior to 9:00 am. The message should include the student's name, student's grade, date of absence, reason, name of caller and telephone number where the caller can be reached. Days missed will be recorded on the student's permanent record.

### **ILLNESS DURING THE SCHOOL DAY**

Students who become ill during the school day must secure a pass to the clinic from their teacher. Upon returning to class, a student must present a signed clinic pass to the teacher. The student's parent will be contacted if it becomes necessary for the student to leave school due to illness.

### **TARDINESS TO SCHOOL**

All students are expected to arrive on time to school. Students arriving late to school report to the attendance office for a pass to class. Students tardy to school more than five times during the year will receive a detention for each tardy thereafter. ## **AIDS POLICY**

Students with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment in grades 9 through 12 shall be permitted to attend school programs in a regular classroom setting provided:

1. The health of a student, as documented by his/her physician, allows participation in regular academic school activities.
2. The student behaves acceptably; in a manner that would not cause the spread of the disease or in any way put others at risk.
3. The student does not have open sores, skin eruptions, or any other condition which prevents his/her control of bodily secretions.
4. There are periodic evaluations of the student's physical condition with written certification from his/her physician allowing continuing participation in regular academic school activities.

The principal will consult with the appropriate persons to make a decision on each case. Parents and guardians have the obligation to report to the school administration when any child has been diagnosed as having AIDS (Acquired Immune Deficiency Syndrome), ARC (AIDS Related Complex), or other illness caused by HIV (Human Immune Deficiency Virus that causes AIDS, also known as HLTVIII or LAV). Upon request, the full policy is available for review in the main office.

## **CUSTODIAL PARENT INFORMATION**

For the safety of our students living in non-intact families, custodial parents/guardians are requested to furnish the school with a copy of the custody papers. This will be kept in the student's permanent record file. Unless the decree

indicates otherwise, school communications will be directed to the custodial parent/guardian. ### **EMERGENCY SCHOOL CLOSING**

When Lake Catholic is closed because of weather-related or other emergencies, the announcement of the closing will be broadcast over radio and TV stations. Usually, Lake Catholic closes for snow days when Mentor Exempted Village Schools close. If Lake Catholic remains open even though another district closes, then the students from that district would have to provide their own transportation to school. If parents judge such transportation to be dangerous, they should call the attendance office to report the absence.

All extracurricular activities will be cancelled when there is an emergency school closing. Exceptions may only be granted by the administration of Lake Catholic High School.

## **IMMUNIZATIONS**

In order to attend school, all students new to Lake Catholic High School must have the immunizations required under Ohio Law Sections 3313.671 and 3701.13 of the Ohio Revised Code. A record of these immunizations must be on file with the school nurse by the 15<sup>th</sup> day of the school year.

## **INTERNET POLICY**

We believe that technology is a vital means to assist those who carry out the educational ministry of Lake Catholic High School. We are pleased to offer students of Lake Catholic access to our computer network, including access to the Internet. Access to the Internet will enable students to explore thousands of libraries, databases and bulletin boards throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Ultimately, parents and guardians are responsible for setting and conveying the standards that their children should follow when using media and information sources.

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. The network is provided for students to conduct research and to communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Access is a privilege, not a right. Access entails

responsibility. Individual users of Lake Catholic's computer network are responsible for their actions.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on any server or computer would be private. During school, teachers may guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

Users have no privacy rights to any data received or disseminated on the network and by utilizing these Lake Catholic systems they consent to Lake Catholic's right to audit all communications, files and documents. # **FINANCIAL POLICIES**

Tuition for the 2010-11 school year is \$7,850. The first payment is due by July 1, 2010, regardless of the method of payment selected on the tuition contract. Student tuition accounts will be reviewed monthly. A student will not be permitted to begin classes for the next quarter if his or her account is in arrears. Academic schedules will not be issued, and report cards will be held until all financial obligations are met. The final payment of tuition is due by May 1, 2011. Further, all athletic participation fees must be paid in full.

Seniors must have fulfilled all obligations, financial and otherwise, in order to participate in graduation activities and exercises or to receive graduation tickets, cap, and gown. Further, no student in any grade will be permitted to attend prom if tuition payments are in arrears.

Each student is required to sell or buy \$100 worth of tickets for the Cougar Auto Raffle, which is held in the fall. The \$100 ticket sale obligation is due no later than October 1 of the current school year. With this clause, the parent stipulates that he or she is aware of the ticket sale obligation, has received the tickets, and will pay the \$100 obligation.

Athletic participation fees help to offset the costs of transportation, officials, uniforms and equipment. The nonrefundable fee is added to the tuition account at the beginning of each season and the cost is spread out over the remaining tuition payments. To encourage our athletes to participate in more than one sport and to ease the financial burden on families with multiple children, the participation fees per family will not exceed \$800 per year except as noted. All participation fees are due in full at the time they first appear on your tuition statement.
