Dear Lake Catholic High School Families,

As we prepare for the 2026–2027 school year, I want to thank you for the continued trust you place in Lake Catholic High School. Your partnership and belief in our mission allow us to provide an exceptional Catholic educational experience for our students each day.

After thoughtful review and careful financial analysis, and upon the recommendation of our Advisory Board, tuition for the 2026–2027 academic year will be \$13,950.

This decision reflects our ongoing commitment to sustaining excellence at Lake Catholic. As we look ahead, we must continue to provide competitive wages and benefits for our dedicated faculty and staff, address rising operational costs such as utilities, transportation, instructional resources, and insurance, and invest in enhanced classroom experiences and ongoing facility improvements. These efforts ensure that our students benefit from engaging instruction, modern learning environments, and a campus that reflects the quality of education we strive to provide.

With these enhancements and operational adjustments, we will also refine our transportation model beginning next school year. Pick-up and drop-off will transition to centralized regional locations, and we will no longer be able to accommodate customized routes. Our goal is to identify common, convenient locations throughout the region that serve our families efficiently while maintaining reliability and safety. We are grateful that several local public school districts — including Mentor Public Schools, Kirtland Local School District, and Willoughby-Eastlake City Schools — provide transportation services for eligible students attending Lake Catholic. Additionally, the Perry Local School District offers transportation reimbursement to qualifying families. We encourage families to contact their local district transportation office for specific eligibility details. Additional information regarding our designated centralized locations and schedules will be shared in the coming months.

Lake Catholic remains committed to accessibility. Tuition assistance and flexible payment plans continue to be available for families who demonstrate financial need, and we encourage anyone with questions to contact Jeff Hall, Director of Finance (ext. 250, jhall@lakecatholic.org).

Thank you for your continued partnership and for choosing Lake Catholic. It is an honor to serve your family and to advance our mission together.

Sincerely,

John Morabeto
President
Lake Catholic High School
