

Dear Business Owner,

Welcome to another exciting year of Cougar football! Athletics play an important role in a child's education. Sportsmanship, teamwork, a healthy body/mind, overcoming adversity and facing challenges are a few of aspects that form the foundation for future success – on and off the field! The Gridiron Club is the booster organization for the Lake Catholic High School football team. We aim to provide support to our student-athletes in many ways including equipment, uniforms, pre-game meals, strength and conditioning, and field maintenance. It is our hope with a partnership with businesses like yours that we can continue the vibrant program that has been the lifeline of our football program success!

We are looking for corporate sponsors to support us. Below is a listing of current opportunities to partner with us for the 2023-2024 season to showcase your business to the community!

All donations will receive social media recognition of the contribution.
