

The Ivan Begovic '88 Scholarship at Lake Catholic High School

Mr. Ivan Begovic was a member of Lake Catholic's graduating class of 1988. Lake Catholic played a huge role in his life. His love of the school continued with his two sons, Noah (LC Class of 2018) and Luka (LC Class of 2022). Ivan was a true Cougar who frequently attended LC events with his classmates and friends. His family, friends and co-workers established this scholarship fund in his honor to continue to help provide financial assistance to young men and women who desire a faith-filled Lake Catholic education. The scholarship committee hopes that the recipients of this scholarship will feel the same way at the end of their high school career at LC as Ivan did throughout his life about his alma mater.

In the 2021-22 school year, two Lake Catholic students will be awarded a one time \$2,500 scholarship towards their current tuition.
