Dear Lake Catholic Families:

Through the ten years the Crowley family was paying tuition at Lake Catholic, the one thing I always admired about Lake Catholic and the other Diocesan-owned high schools is that we work very hard to make sure a Catholic high school education is within reach of as many people as possible.

Keeping our expenses low enables us to keep tuition costs in check despite rising costs in employee benefits, building repairs for a 50-year old building and increasing demands for technology.

In fact, in the current school year our tuition is 16th out of the 20 Catholic high schools in Cleveland and lower than the average of other Cleveland Catholic high schools not owned by the Diocese.

I share that context as we announce **our tuition for the coming 2021–2022 school year will NOT CHANGE - remaining at \$11,100 for the third straight year.**

Some participation fees will increase slightly, but registration and graduation fees will remain the same.

Know that the administration, faculty and staff are very cognizant of the need to spend wisely, to invest in our future while managing our day to-day costs.

Thank you for entrusting your children to us and for your continued commitment to a Catholic education here at Lake Catholic.

Sincerely,

Mark Crowley
President
