

Student Transportation Registration

Lake Catholic Van/Bus Transportation. Lake Catholic-owned vehicles pick up and drop off students at **centralized** stops in Lake, Geauga, and Cuyahoga counties where public school district transportation is not available. **Please note that this service is not intended to be door-to-door transportation.** Routes, times, and stop locations are determined according to need each year. Transportation is provided on a first come, first served basis with priority given to full-year riders.

Public School District Transportation. Lake Catholic vehicles do not provide service within public school districts that transport students to Lake Catholic. Students residing in the Mentor, Kirtland, Painesville, and Willoughby Eastlake public school districts are transported to and from Lake Catholic by their school district. Students residing in the Riverside school district are transported to Lake Catholic but not home. Information on public school transportation can be found on our web site at <http://www.lakecatholic.org/transportation>.

Please use the form below to register your student(s) for transportation on a Lake Catholic vehicle. Registration is non-binding at this time. Transportation fees will be invoiced on your first tuition statement and are non-refundable as of September 1, 2019. **Your van driver will call you in early August with details on stops and times and to verify contact information.**

For more information on transportation provided by Lake Catholic vehicles contact Mr. Greg Anthony at ganthony@lakecatholic.org.
